

EDUCATION THROUGH EMPATHY: TOGETHER AGAINST VIOLENCE!

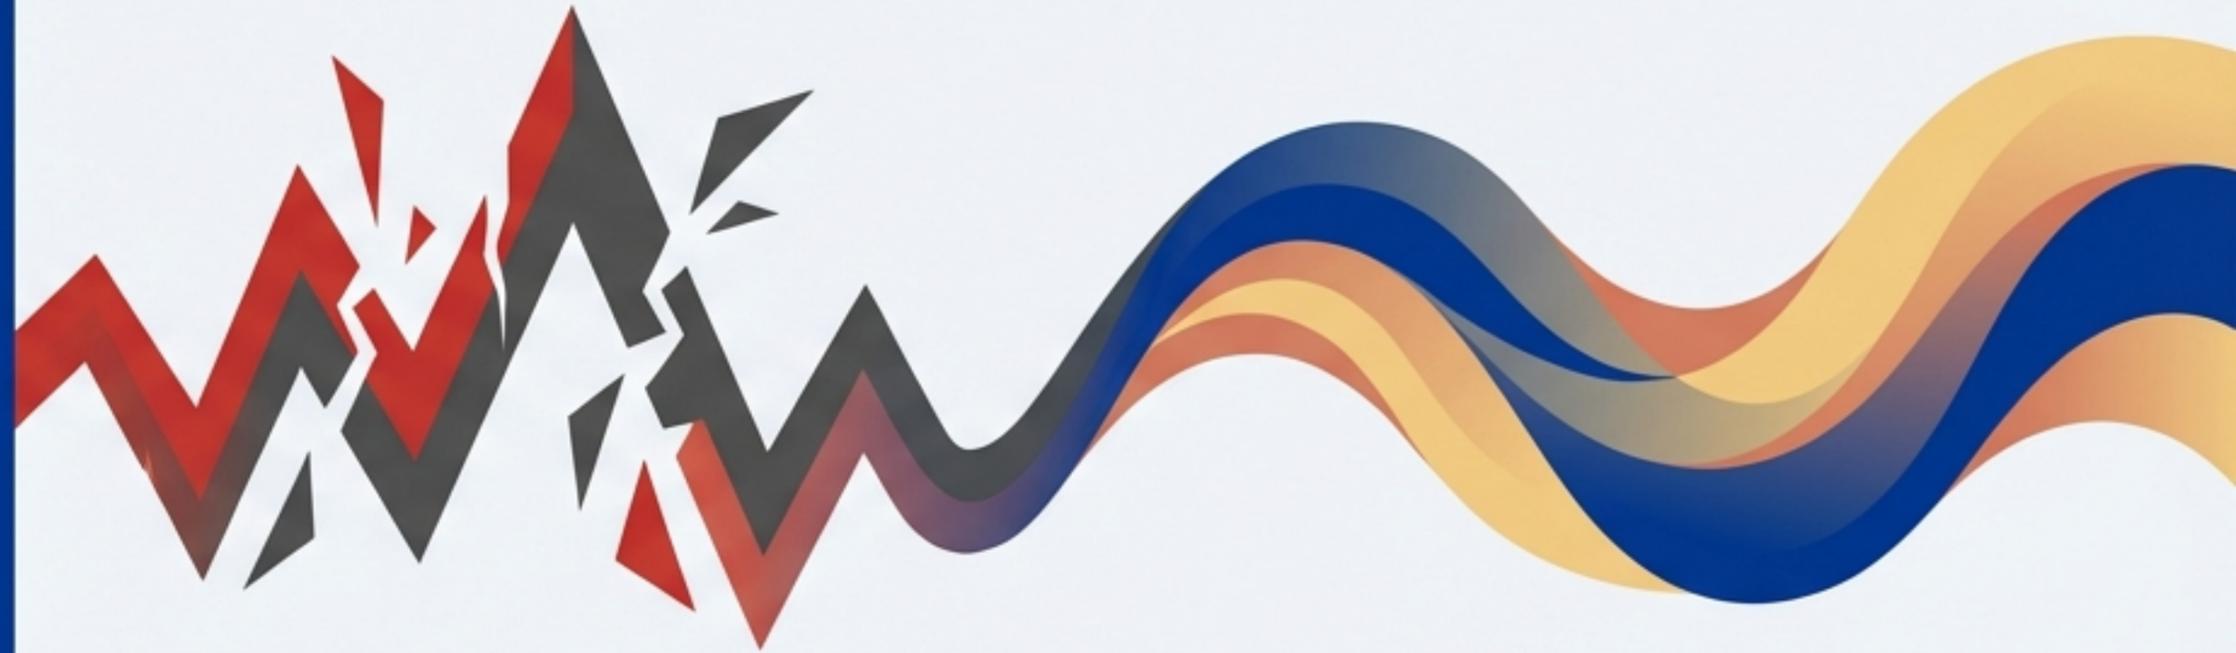

A Strategic Partnership for Safer Schools

PROJECT CODE: 2025-1-RO01-KA210-SCH-000354805
ERASMUS+ PROJECT OVERVIEW

THE MISSION

Moving From
**Conflict to
Connection**

Violence

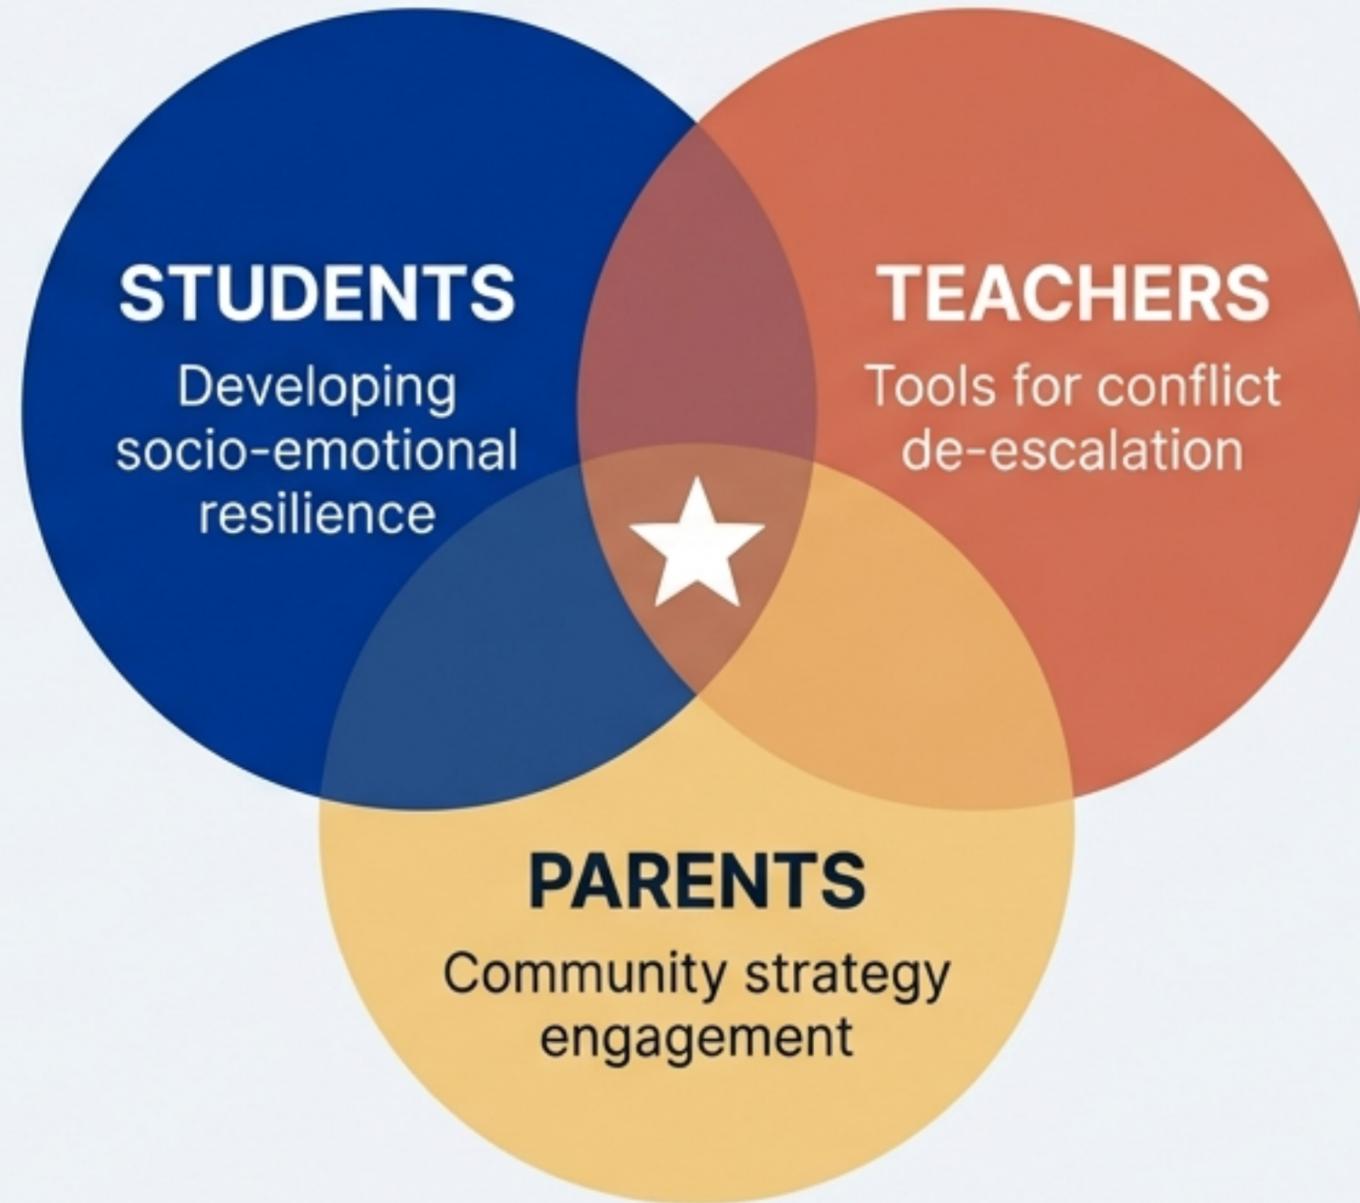

Empathy

The primary purpose of this initiative is the prevention and combating of violence within the school unit.

We achieve this by developing innovative educational strategies that prioritize inclusion and empathy over punitive measures.

A Holistic Approach to Conflict Management

Sustainable change requires upskilling every stakeholder.

Improvement of competencies across all three groups is essential for success.

Coordinator	Romania (RO)
Implementation Period	01 October 2025 – 30 September 2027
Funding Context	Erasmus+ Key Action 2: Small-scale partnerships in school education

Three Pillars of Action

Our strategy is built upon three specific objectives designed to reshape school culture.

Objective 1: The Shield of Empathy

Goal:

Prevention and reduction of violence in the school environment.

The Mechanism:

Utilizing empathy and inclusion as primary deterrents.

Context:

By fostering an inclusive environment, we remove the isolation that often fuels school violence, ensuring every student feels seen and valued.

Objective 2: Building Emotional Intelligence

Goal:

The development of socio-emotional competencies.

Target Groups:

Students and Teachers

Impact:

Equipping the school community with the internal resources necessary to recognize, understand, and manage emotions before they escalate into conflict.

Objective 3: The European Dimension

Goal:

Improving linguistic competencies and sustainable development awareness.

The Method:

Cooperation with European countries to promote shared values.

Takeaway:

Violence prevention is framed here as a shared European responsibility that transcends language barriers and borders.

Innovation in Education

Moving beyond traditional disciplinary action toward proactive conflict resolution models.

Implementation Roadmap

Envisioning the Impact

School Level

Measurable reduction in violent incidents and a more inclusive atmosphere.

Individual Level

Students and teachers equipped with superior socio-emotional and linguistic skills.

Community Level

Parents actively involved in conflict management strategies.

Sustainability and Long-Term Value

- Integration of sustainable development principles into the educational framework.
- The strategies developed during the 2025-2027 window are designed to remain in the school curriculum, creating a permanent culture of non-violence and respect.
