

***"TOGETHER WE CAN BE BETTER"***

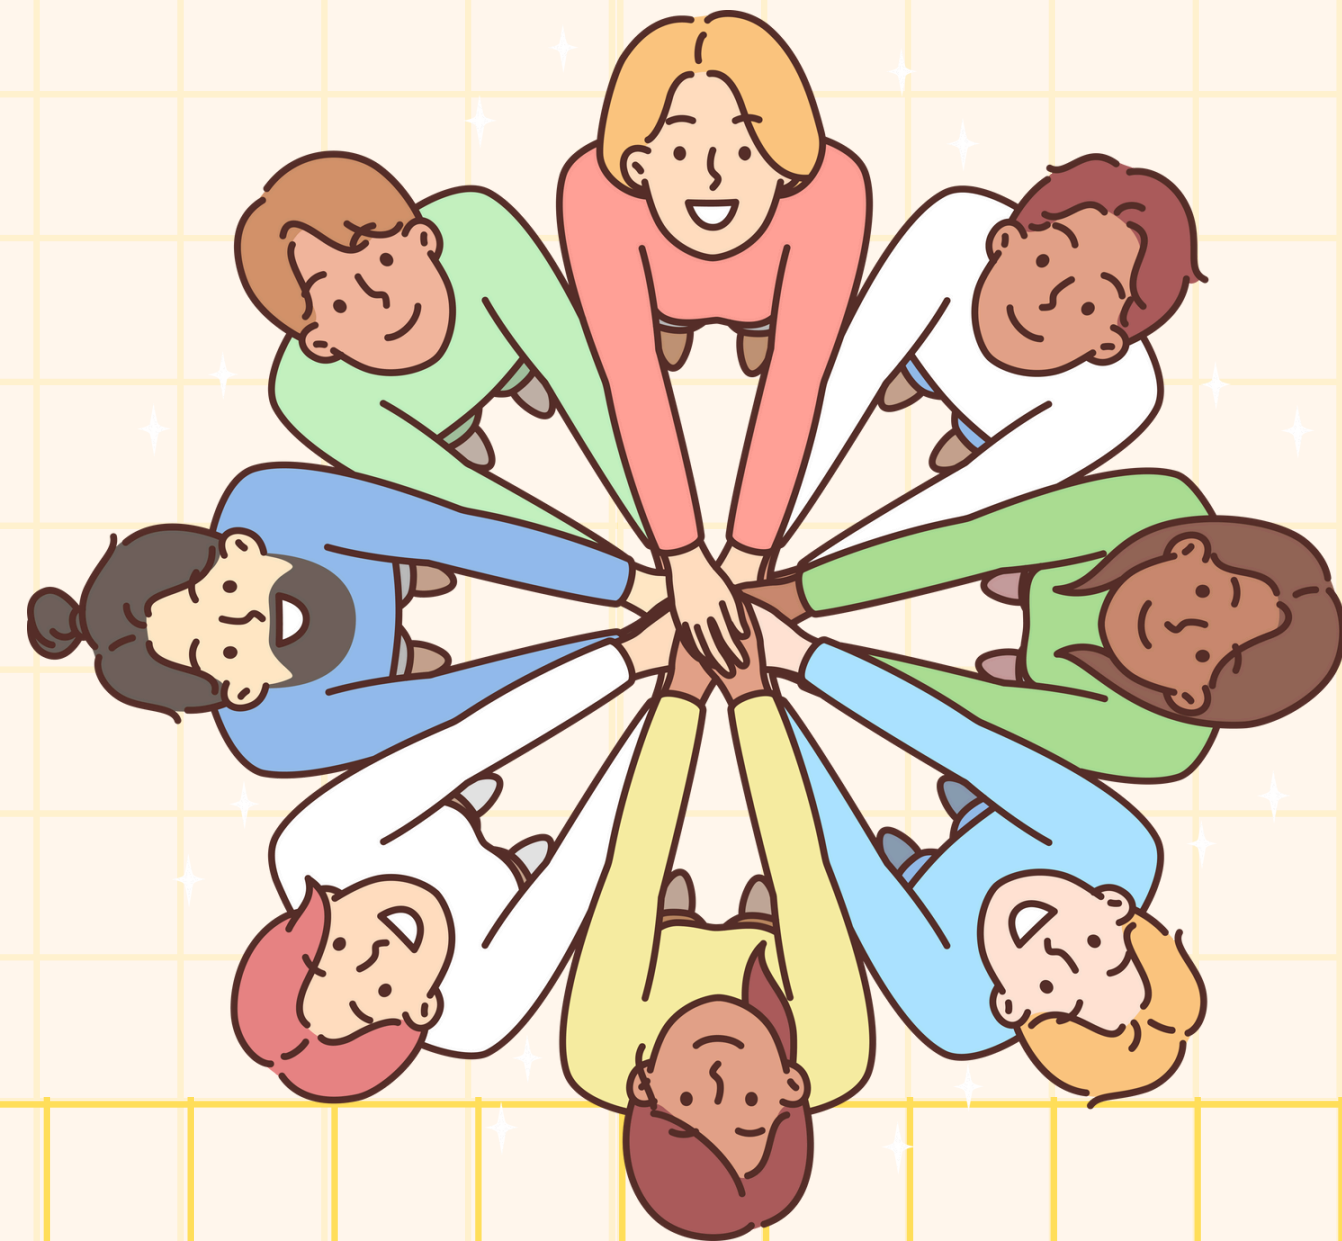

**October 2025 - May 2026**

# ***WHAT IS "TOGETHER WE CAN BE BETTER"?***

Together We Can Be Better is an international eTwinning project, carried out within the Erasmus+ programme.

The project brings together students and teachers from several European countries, working together to build a community based on respect, empathy, inclusion, cooperation and digital collaboration.

The "Together We Can Be Better" project is carried out in partnership with schools from:

 Romania

 Greece

 Portugal

 Slovakia

 Turkey

Students work in international teams and discover different cultures, traditions and values, but also what unites us.

Together

The students are the main actors of the project.

The teachers coordinate, support and encourage teamwork and intercultural communication.

They actively participate in all activities, create digital materials and collaborate with students from other countries.

# Project strengths

Real collaboration  
between students from  
different countries

Creative use of digital  
tools

Development of  
empathy and respect

Promoting inclusion  
and combating  
violence

Learning through  
experience and  
cooperation

# WHAT DO STUDENTS DO IN THE PROJECT?

create presentations

posters

participate in joint  
online activities

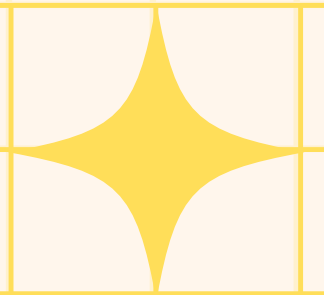

stories and videos

express their opinions  
and ideas

learn to work in  
international teams

*"Together we can be better" means helping each other,  
respecting each other and growing together.*

**STUDENTS  
DEVELOP**

respect for  
diversity

spirit of European  
cooperation

empathy and  
social  
responsibility

confidence in  
themselves  
and in others

**The project activities will lead to the creation of joint final products, such as a digital diversity book and other creative materials.**

**This project is not only an educational experience, but also a life lesson about friendship, respect and cooperation.**
